# **Welcome to the Clinic Orientation Manual!**

In this manual, you will find an overview of how an OPT clinic operates. This manual acts as a 'tour guide' to new and reviewing staff, and is complemented by the Clinic Operations Manual, which contains pertinent clinical operations and policies needed to operate an OPT clinic.

I would like to acknowledge the hard work of:

Barbara Kelly, Clinic Coordinator, OPT Courtenay

In addition, the following people and departments were instrumental in completing this manual:

Heather Tingle, Relief Supervisor, OPT White Rock

Carmen Sigalet, Clinic Supervisor, OPT Vernon

OPT Provincial Office Clinical Services Department

OPT Provincial Office Executive Services Department

OPT Provincial Office Information Management/Technology Department

Mary Liddel, Publication and Design Coordinator

Thank you everyone!

Shanti Gidwani, Director of Clinical Services, OPT Provincial Office
